

Old Year, New Year

What happened to you over the past year?

What are your hopes for next year?

Share your experiences and hopes with the others.

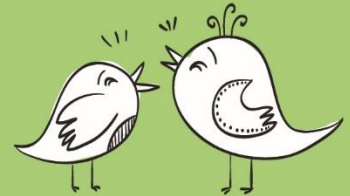

Old Year, New Year

A day from the past year I'd like to live through again...

Old Year, New Year

A time over the past year when I laughed a lot...

Old Year, New Year

Something new I understood, learned or discovered over the past year...

Old Year, New Year

A good book I read, movie I saw, or TV program I watched over the past year...

Old Year, New Year

Something special I ate over the past year, or a special meal I took part in...

Old Year, New Year

Someone who was important and meaningful for me over the past year...

Old Year, New Year

Something that happened in our society or country over the past year that made me happy...

Old Year, New Year

A special place I visited over the past year...

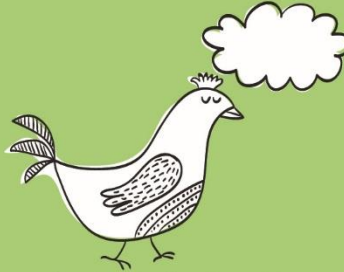

Old Year, New Year

Something I'm
worried about as the
new year begins...

Old Year, New Year

A dream I'd like
to make come
true next year...

Old Year, New Year

A place I'd
like to visit
next year...

Old Year, New Year

Something I'd
like to get better
at or something
new I'd like to
learn next year...

Old Year, New Year

A sentence I don't
want to hear over
the next year...

Old Year, New Year

A sentence I'd
really like to
hear over the
next year...

Old Year, New Year

Someone I'd like
to see more
often over the
next year...

Old Year, New Year

Something I'd like
to change about
myself or my life
over the next year...
