

What Can We Learn from the Torah?

We can learn various things from the Torah. Choose a story from the Torah and explain what we can learn from it. You can refer to the list below. Explain each choice you make. For example, if you write that we can learn values from the Torah, what values do we learn from the story?

Story: _____

The illustration shows a large, white scroll with a wavy top and bottom edge, held open by two dark brown, stylized pillars. Each pillar has a circular top and a circular base. The scroll is divided into four rectangular sections by a vertical line down the center and a horizontal line across the middle, creating a 2x2 grid of blank boxes for writing.
